EASY WAVE

Hardiness Degree: 40°F (4.4°C) **Blooming Season:** Late Spring, Spring, Summer, Late Summer

Plant Habit: Spreading, Mounded

The fast-growing plants bloom freely all season in landscapes and containers without cutting back, and tolerate both heat and cooler conditions very well. Flower-filled plants grow a little more mounded than original Wave, with a more controlled spread.

SHOCK WAVE– 7-10” HEIGHT, 2.5-3’ SPREAD, **Hardiness Degree:** 40°F (4.4°C) **Blooming Season:** Spring, Late Spring, Summer, Late Summer **Plant Habit:** Mounded, Spreading **Characteristics:** Attracts Bees, Low Maintenance

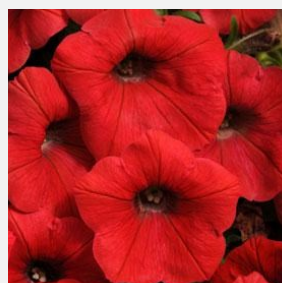

Shock Wave produces a mounded, spreading plant that is similar in shape and just as easy to manage as Easy Wave.

These excellent outdoor performers offer strong fill and season-long colour that the Wave family varieties are known for.

Petite-flowered plants perform equally well in small spaces, hanging baskets, containers and mixed combos.

WAVE– 5-7" HEIGHT, 3-4' SPREAD, 2 TO 2.5 FLOWERS SIZE, **Hardiness Degree:** 40°F (4.4°C)

Blooming Season: Spring, Late Spring, Summer, Late Summer **Plant Habit:** Mounded, Spreading

Characteristics: Attracts Bees, Heat Tolerant, Low Maintenance. Creates a ground-hugging carpet of color! This series is the lowest growing in the Ride The Wave™ family. It also spreads out, making a beautiful groundcover. Plant 12 in. (30 cm) apart and watch it spread up to 4 ft. (1.2 m)! These plants are perfect for garden beds, baskets, planters and window boxes. .
